

Message from the Principal

Dear Students:

St. Michael Catholic Secondary School is a school with a proud tradition and plays an important role in the Catholic community of Perth County. The modern and fully equipped facility is located on the SERC site which provides a beautiful setting for our school. Our staff, both teaching and non-teaching, are committed and dedicated to serving the students. Your fellow student population is wide and varied with an abundance of gifts and talents. Our alumni are proud of this school and challenge you to live up to the standard they have set.

Students who choose to come to St. Michael Catholic Secondary School do so secure in the knowledge they will be treated with dignity and respect. All of you are on a journey and we are here to support you. This book outlines many of our school policies and you are asked to make yourself familiar with these guidelines. Following these procedures lead us to the development of an environment in which learning can take place. This means our religious expectations, behaviour code and discipline policies are to be followed and accepted by all who attend.

I encourage all of you to get involved in at least one of the many activities available here at St. Michael. We offer a rich and diverse program of activities which will add to you becoming truly involved in the “warrior tradition”.

In closing I would like to share with you a quote from Mark Twain “Twenty years from now you will be more disappointed by the things you didn’t do than by the ones you did do. So throw off the bow lines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover. Enjoy.”

Tim Doherty,
Principal.
